## SAFETY

(STANDARD ACROSS ALL VARIANTS)

Awarded 4-stars in Safety

### ABS with EBD

ABS suppresses wheel-locking while braking, allowing better manoeuvrability. EBD optimally distributes braking force for better control based on the load conditions.

### Front Seat Belts with Pre-tensioner & Force Limiter

Enhances restraint performance and minimizes impact to the chest in case of a collision. Standardized across all variants.

### Dual Front SRS Airbags

Highly effective airbags that significantly reduce the impact of a collision for both driver and passenger. A standard feature across all variants.

### Rear 3-Point Seat Belts (All 3 Seats)

With Emergency Locking Retractors (ELR) that instantly lock occupants safely during abrupt rapid braking.

### ISOFIX Child Seat Lock

Meets international safety standards with a secure, easy-to-fix design for child safety. Available in all variants.

### Rear Removable Headrests (All 3 Seats)

Designed to enhance comfort and reduce injuries in case of a rear-end collision. A standard feature across all variants.

### Reverse Parking Sensors

Enables parking in the tightest spaces with ease.
